

REPORT ON NCERT VISIT

19th April, 2024

On Friday, April 19th, 2024, the Institute of Vocational Studies organized an educational field visit to the National Council of Educational Research and Training (NCERT) as an integral part of the B.Ed. curriculum. Under the insightful direction of Dr. Mandira Gupta, Principal of IVS, the visit was meticulously planned and executed.

The day commenced with an inaugural session featuring enlightening addresses by JD from CIET and the Head of PRD, providing insightful introductions to CIET's digital initiatives. The location was visited by B.Ed. 2nd-year students as well as the teacher in charge, Dr. Parul Maheshwari, and Ms. Bilquish. Students were methodically divided into two distinct batches to facilitate structured exploration. Batch 1 embarked on a comprehensive tour of the Experiential Learning Center and Vidya Samiksha Kendra, while Batch 2 undertook an equally enriching journey through the ICT Lab and Vidya Samiksha Kendra. Each batch was afforded the opportunity to engage with the Video Studio and Audio Studio, thus gaining firsthand exposure to the cutting-edge technologies and innovative practices employed by NCERT to augment educational outcomes.

Throughout the visit, students actively participated in a diverse array of activities, including immersive experiences within the Learning Review Centre, Audio Recording Room, Video Production Room, and Experiential Learning Laboratory. The culmination of the day was marked by a collective expression of appreciation through group photographs, underscoring the gracious hospitality extended by the NCERT staff. With meticulous adherence to the schedule, the visit drew to a timely close at 2:00 pm, leaving an indelible impression of enlightenment and enrichment upon each IVS student. In alignment with NCERT's overarching objectives of fostering research and advancement in the realm of school education, the visit served as a profound educational endeavor.
