REPORT ON HEALTH CAMP & CONSULTATION PROGRAMME (16th October, 2023)

Wherever the art of medicine is loved, there is also a love of humanity. The development of community, society, nation and universe is dependent on educational system. But it is necessary to create a good and healthy education environment. So, IVS in collaboration with The International Association of Lion's Club and Max Hospital, Saket organised a FREE HEALTH CHECKUP & CONSULTATION PROGRAMME under which Eye Checkup, Dental Checkup, BP and Sugar Checkup Were conducted by expert doctors including Cardiologist and Dentist. International Association of Lion's Club, a civilian service organization established to foster the spirit of generous consideration among people of the world. Lion's Club adopts more lenient membership rules than other service clubs and did not impose a rigid quota of membership, it soon became the largest of all service organisations. It is an international organisation operating in more than 200 countries. Their motto is to serve in poor underprivileged communities, accord to their needs, food, health taken care off. They also serve food, clothes, blankets, stationary, books, fees of school children, water coolers in poor Schools, blind children taken care off. They also organise vision eye camps and distribute free spectacles and also provide cataract surgeries. They promote awareness talks, diabetes screening, environment cleanliness, tree plantation, no plastic and hence cloth bags were distributed. They undertake numerous activities like marriage of poor girls and celebrate all the festivals. Mrs. Pratibha Agrawal from Lion's Club and Principal Dr. Mandira Gupta were also there to supervise everything minutely. Located in the heart of South Delhi, the Max Super Speciality Hospital, Saket is widely considered as one of the best hospitals in the country. It has a complete spectrum of Diagnostic Technologies including several which are first in India and Asia. Experts at Max Super Speciality Hospital, Saket have treated more than 34 lakh patients across 38 specialties mainly cardiac, oncology, neurosciences, liver transplant, urology, nephrology, kidney transplant, aesthetic and reconstructive surgery, etc. It has received NABH and JCI accreditation for providing the highest quality of patient safety and care.

Good health and good sense are two of life's greatest blessings. The Team IVS, (Director) Prof. Dr. Ilyas Husain, (Principal) Dr. Mandira Gupta and the members put in a lot of efforts in organising this event that took place on 16 October, 2023 in Awadh Centre of Education. Students actively and enthusiastically participated in this health camp and appreciated the kindness and humanitarian step of the organisers. More than 90 students, Teaching and non-teaching staff, helping staff and Parents were also examined by Max Hospital Team. Eye checkup of the students was also done and free spectacles were distributed and also eye exercises were told to the students to reduce the effect of screen timing. The whole camp came to an end with a huge success.
