ABOUT IVS

Institute of Vocational Studies is engaged in Professional Teacher Education and Training Programme. Our institute is active center for preparing teachers for 21st century who are dynamic and progressive in their approach. Our main aim is to prepare more Humane Teachers which is the need of the hour for which we are continuously engaged in research activities for solving the educational problems and dilemmas faced by teachers and teacher educators from time to time. Thus Faculty Development Programme is an integral part towards attainment of Institute's vision.

ABOUT THE PROGRAMME

In student-centered approach to teaching and learning, Outcome-Based Education (OBE) plans course delivery and assessment to meet predetermined goals and results. The purpose of this faculty development program is to increase understanding of OBE and its applications to evaluation, assessment, and instruction. Additionally, the FDP will support academicians in reorganizing pedagogy, curriculum, and assessment procedures in order to attain higher-order learning results. It also discusses the necessity of combining cutting-edge teaching and learning strategies with OBE practice.

PROGRAMME OBJECTIVES

- To impart knowledge about learning and teaching strategies that are outcome-based.
- To enhance their understanding and proficiency with outcome-based teaching and research.
- To provide training in developing the course outcomes (CO) for different courses.
- To understand the design and process of learning outcomes.
- To understand the mapping of COs to POs (Programme Outcomes).
- To identify the digital tools to achieve COs.
- To plan assessment techniques to analyse the outcomes of learning.
