AYCON

AWADH YOUTH CONNECT

Institute of Vocational Studies
(An Academic Unit of Awadh Public Charitable Trust)

Principal's Message

“*Success is the sum of small efforts,
repeated day –in and day– out.*”

– Robert Collier

Dear Students and Stakeholders,

It is with great pride and joy that I share this message. The Institute of Vocational Studies has established itself as a distinguished institution in teacher education, offering B.Ed. and D.El.Ed. programs, and playing a pivotal role in empowering generations through skill development and comprehensive training.

Our bi-annual newsletter, AYCON (Awadh Youth Connect), is a vibrant collection of the diverse events and initiatives conducted both within the college and beyond, under the institution's vision and leadership.

At our college, we remain steadfast in our pursuit of excellence, continually raising the bar for academic and co-curricular achievements. With an unwavering commitment to fulfilling the aspirations of students, parents, and society, we prioritize nurturing behavioral discipline, moral integrity, and intellectual growth among our students. This newsletter serves as a testament to the collective efforts of our team in fostering the holistic development of both the institution and our students.

As we strive to achieve even greater heights, I wholeheartedly invite the ongoing support and collaboration of all stakeholders—parents, students, and the community alike. Together, we can lead this institution to new milestones of success.

With Warm Wishes

Happy Readings!!

Dr. Mandira Gupta
Principal

BEST OUT OF WASTE

(5th JULY 2024)

The Institute of Vocational Studies, under the guidance of Principal Dr. Mandira Gupta, conducted a "Best out of Waste" Co-Curricular Activity to provide students with a creative outlet beyond the classroom. This activity allowed students to explore their artistic talents while promoting environmental awareness and teamwork using recycled and eco-friendly materials. The activity encouraged creativity, collaboration, and environmental consciousness, allowing students to express themselves artistically and understand the importance of recycling and sustainable practices. Students reused matkas and pots, decorating them to create various artistic items and demonstrating their creativity and resourcefulness. The event was a resounding success, enhancing participants' artistic and innovative skills, fostering a sense of community and collaboration among future educators, and deepening their understanding and appreciation for environmental sustainability. In conclusion, the Best out of Waste CCA Activity showcased the power of art and innovation in education. It inspired creativity, environmental awareness, and personal growth among the participants, playing a vital role in enriching the educational experience and nurturing well-rounded individuals capable of inspiring creativity and sustainability in others.

SHIKSHA SAPTAH EDUCATION WEEK SKILLING & DIGITAL INITIATIVE DAY SKILL EDUCATION FOR BUILDING A COMPETENT AND COMPETITIVE WORKFORCE

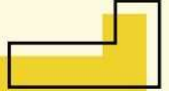

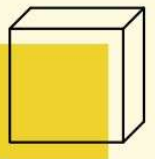

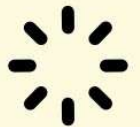

(26th JULY 2024)

The Institute of Vocational Studies celebrated Shiksha Saptah, and today marks its 5th day. The event highlighted the significant commitment of students who actively engaged in activities centered on the theme of skill education. Recognizing the critical importance of this theme, the students wholeheartedly embraced the essence of skill development and vocational training through their collective efforts. The primary objective of celebrating this theme was to cultivate a deeper understanding and appreciation for skill education and its pivotal role in holistic development and economic growth. The First Aid Workshop and Bag Making Workshop were instrumental in underscoring the significance of skill education. These activities aimed to emphasize the necessity of practical skills, creativity, and employability among students. Such engagements substantially enhance student involvement, underscoring their role in recognizing, addressing, and promoting the importance of skill education through experiential learning.

TRIP TO NATIONAL ZOOLOGICAL PARK

(31st JULY 2024)

'Nature is Nurture'. Considering the importance of preserving the nature and being close to environment contributors, the Institute of Vocational Studies under its Eco-Club organized an entertaining educational trip to National Zoological Park, Delhi on 31st July, 2024.

The National Zoological Park is home to a large number of species of birds, reptiles and mammals which live in an environment that in many ways resemble their natural habitat. The zoo provides a home for endangered species rarely available anywhere.

Students keenly observed these amazing species of animal kingdom who are contributing our environment in creating ecological balance and bio-diversity. The visit was not only entertaining but developed an affection and belongingness with these different creatures. Students and the teacher coordinators- Dr. Almas Parveen, Dr. Fozia Roohi, Ms. Nazia Hassan and Ms. Nahid Raees enjoyed a lot and get sensitized with preserving them for survival of everyone.

REPORT ON PEN STAND/ PAPER WEIGHT ACTIVITY

(2nd AUGUST 2024)

On August 2, 2024, the IVS organized a pen stand/paperweight Co- Curricular Activity under the distinguished leadership of Principal Dr. Mandira Gupta. This initiative aimed to cultivate students' creative skills and encourage the expression of their artistic talents. Students had the opportunity to explore their personal interests and strengths by choosing to design either a pen stand or a paperweight. The purpose of the activity was diverse, to stimulate creativity and innovation among students, to provide hands-on experience in crafting and design, to foster a sense of accomplishment and confidence, and to illustrate the practical applications of vocational skills. Using stones as their primary medium, students decorated them with vibrant colors to produce unique and artistic designs. Dr. Mandira Gupta commended the students for their efforts and emphasized the importance of such activities in enriching vocational education.

REPORT ON CREATIVE DECORATION MATERIAL MAKING ACTIVITY

(8th AUGUST 2024)

On August 8th, 2024, the Institute of Vocational Studies organized a Co-Curricular Activity titled "Creative Decoration Material Making," designed to foster creativity and craftsmanship among students of IVS. The event, conducted under the esteemed guidance of the Principal of IVS, provided an opportunity for students to actively engage in crafting innovative and aesthetically pleasing decorative items using a variety of materials. This hands-on session not only served as a platform for artistic expression but also helped students develop essential design and presentation skills. The activity was highly successful, highlighting the talents of the students and their proficiency in mastering new techniques in creative decoration.

FRESHER'S PARTY CELEBRATION

(9th AUGUST 2024)

On August 9, 2024, the Institute of Vocational Studies came alive with excitement as it hosted a Fresher's Party for B.Ed. 1st year. The event, organized by senior students, warmly welcomed newcomers to the campus community. The institute's auditorium was transformed with vibrant decorations, creating a festive atmosphere. The day started with a lively welcome address from the IVS Principal Dr. Mandira Gupta, followed by a series of entertaining performances showcasing the diverse talents of both fresher's and seniors. These included musical acts, dance routines, and humorous games. Highlight of the day was the "Mr. and Ms. Fresher" contest, where new students participated in various rounds to showcase their personalities and talents. The Fresher's Party was a resounding success, fostering a sense of belonging among new students and setting a positive tone for their journey at the Institute of Vocational Studies.

78th INDEPENDENCE DAY CELEBRATION 2024

(14th AUGUST 2024)

Institute of Vocational Studies celebrated 78th Independence Day at Awadh auditorium on 14th August, 2024 with great enthusiasm and patriotic fervour. Eminent dignitaries present to grace the occasion were Chief Guest Mr. Naushad Khalid, Managing Trustee, Awadh Public Charitable Trust, Mr. Khalid Hashmi, Director, Awadh Centre of Education, Dr. Mandira Gupta, Principal, Institute of Vocational Studies, and Dr. Tanveer Ikram, Principal, COMM-IT Career Academy.

The event began with Flag hoisting ceremony done by Mr. Naushad Khalid. Dr. Mandira Gupta then delivered a welcome address, highlighting the significance of Independence Day and reflections on the role of education in nation building. Dr. Gupta extended a heartfelt welcome to all new students and encouraged them to embrace the opportunities provided by the institute and to strive for academic and personal excellence.

Chief Guest Mr. Naushad Khalid addressed the gathering, and paid tribute to the countless people who made sacrifices and struggled for the country's freedom. Mr. Khalid also extended a warm welcome to all the new students who have joined the institute in the session 2024. He assured the students for support and guidance in every step of the way.

REPORT ON FOLDER MAKING ACTIVITY

(16th AUGUST 2024)

On August 16th, 2024, the Institute conducted Co-Curricular Activity on "Folder Making," aimed at enhancing the creative and practical skills of students. Under the esteemed guidance of Dr. Mandira Gupta, Principal - IVS, students from both programs actively engaged in the activity, designing and crafting various types of folders using different materials.

Throughout the session, students engaged in collaborative problem-solving, sharing ideas and techniques to refine their designs. The activity also underscored the significance of attention to detail and precision in craftsmanship, which are essential skills in both teaching and administrative roles.

THEME OF NUKKAD NATAK: "SAVE ENERGY BRING A CHANGE"

(20th AUGUST 2024)

Institute of Vocational Studies organized a Nukkad Natak on the theme Save Energy, Bring a Change at Satpula Lake Park. This initiative was part of the Institute ongoing efforts to raise awareness about environmental sustainability and the critical importance of energy conservation. The street play aim to engage the community about how small everyday actions can collectively lead to significant changes in energy consumption patterns thereby contributing to a more sustainable future. Principal of the Institute Dr. Mandira Gupta addressed the students on the occasion of "Akshay Urja Diwas".

Objectives of the street play are to demonstrate the long term benefits of adopting energy efficient practices and also encourage members to take individual responsibility for energy wastage. The street play save energy brings a change the transformation change it was a commendable effort to raise energy conservation through creative storytelling and audience engagement, the play successfully conveyed the importance of saving energy and its direct impact on environment.

This street play was successfully presented by the students of Institute of Vocational Studies on Akshay Urja Diwas, the day commemorates the birthday of former Prime Minister Rajiv Gandhi. This day is dedicated to highlighting the importance of renewable energy and to raise awareness of its benefits.

BOTTLE ART CREATION ACTIVITY

(30th AUGUST 2024)

On 30th August 2024, the Institute of Vocational Studies organized a Bottle Art Creation activity as part of their Co-Curricular Activities, under the esteemed guidance of Principal Dr. Mandira Gupta. Students of IVS participated enthusiastically, decorating bottles, jars, and glasses with creativity and flair. This hands-on activity not only fostered artistic expression but also promoted sustainability by encouraging the repurposing of materials. This hands-on experience allowed participants to experiment with different techniques and materials, enhancing their skills and boosting their confidence. The event provided a valuable opportunity for students to collaborate, share ideas, and enhance their creative skills, contributing to their overall development.

NATIONAL SEMINAR ON ADAPTATION TO CLIMATE CHANGE- INITIATIVES, CHALLENGES AND CONSEQUENCES

(2nd SEPTEMBER, 2024)

A National Seminar on the theme “Adaptation to Climate Change-Initiatives, Challenges & Consequences” under IQAC was organized by IVS (affiliated to GGSIP University), New Delhi on 2nd September, 2024. Major Topics of the seminar were Adaptation to Climate Change, Sustainable Climate- A Key to Sustainable Life, Traditional Ecological Knowledge on Importance of Climate, Dream for Green and Impact of Human Fingerprint on Climate Change.

Inaugural ceremony of the event began with the Lamp lighting, after that welcome address was given to the distinguished guests. Keynote Speaker for the Seminar was Prof. Gaurav Singh, Central Institute of Educational Technology (CIET), NCERT, New Delhi. Prof. Singh of Educational Technology (CIET) has more than 20 years’ experience in education field. Prof. Sing contributed to the field of education through various articles, papers, book chapters, Modules/lectures, MOOCs and Gyandarshan Teleconferencing sessions. He received many awards and accolades including Best SWAYAM Course Award, 2021 for Learning and Teaching and Distinguished Distance Educator Award by National Institute of Open Schooling.

TEACHER'S DAY CELEBRATION

(5th SEPTEMBER, 2024)

“
*True teachers are those
who help us think for ourselves*
Dr. Sarvepalli Radhakrishnan
”

Teacher's Day is celebrated every year on September 5th in India to honour and appreciate the significant contributions of teachers. This day commemorates the birth anniversary of Dr. Sarvepalli Radhakrishnan, who served as the second President of India. Dr. Radhakrishnan was a noted philosopher, statesman and academician.

Dr. Radhakrishnan suggested that instead of celebrating his birthday, it would be more fitting to observe it as teacher's day to recognize the pivotal role teachers play in the society. Our institute celebrated the Teacher's Day on 5th September, 2024 with great enthusiasm at Awadh auditorium.

TEACHER'S DAY CELEBRATION

(5th SEPTEMBER, 2024)

EXTENSION LECTURE ON THE THEME "THE MINDFUL TEACHER - UNDERSTANDING OF MINDFULNESS IN THE CONTEXT OF PRESENT-DAY CLASSROOM EXPERIENCE."

(11th SEPTEMBER, 2024)

The Institute under Awadh Center of Education, FC-31 Sheikh Sarai arranged an extension lecture, supported by IQAC, for Trainee- teachers 11th September, 2024.

The event was organized under the guidance of Principal IVS, Dr. Mandira Gupta with high energy and enthusiasm. Ms. Juhi Bidhuri, a mental health specialist and teacher educator, was invited as the resource person to conduct the talk. The lecture with the theme "The Mindful teacher" also covered "understanding of mindfulness in the context of present-day classroom experience."

The lecture began at 10:30 a.m. with the introduction of topic "Mindfulness" by Ms. Juhi Bidhuri. The talk started off with a thought- provoking and engaging opening that got all the students and teachers to reflect on their familiar surroundings.

The lecture included a variety of activities, some of which were focused on breathing exercises and observation. The topic of emotional intelligence was also explored at the last, with relevant and interesting examples on mindfulness.

EXTENSION LECTURE ON THE THEME "THE MINDFUL TEACHER - UNDERSTANDING OF MINDFULNESS IN THE CONTEXT OF PRESENT-DAY CLASSROOM EXPERIENCE."

(11th SEPTEMBER, 2024)

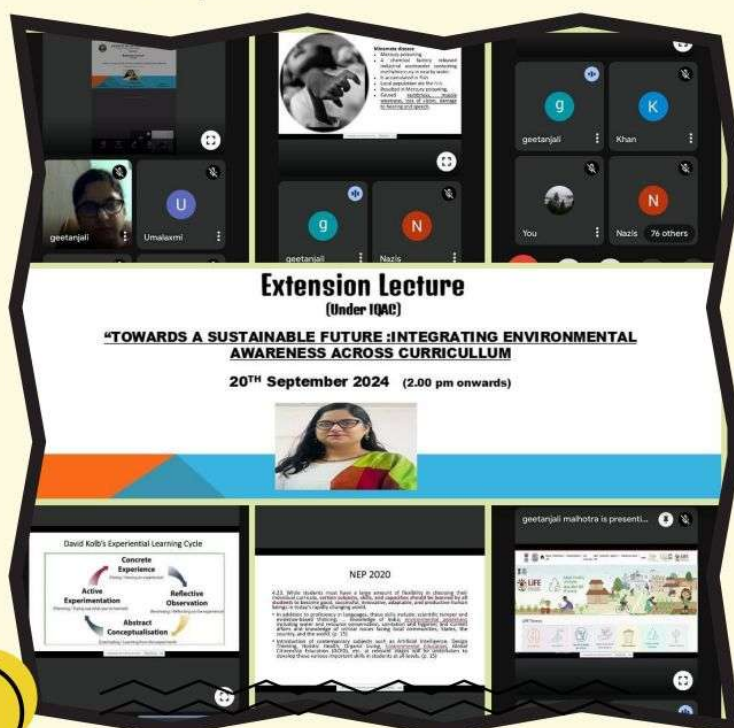

EXTENSION LECTURE ON "TOWARDS A SUSTAINABLE FUTURE" ALSO COVERED "INTEGRATING ENVIRONMENTAL AWARENESS ACROSS CURRICULUM"

(20th SEPTEMBER, 2024)

IVS organized an extension lecture on September 20, 2024. The event was organized under the guidance of Principal, Dr. Mandira Gupta. Dr. Geetanjali Malhotra who is working as an Assistant Professor in Guru Ramdass College of Education, invited as the resource person to conduct the talk.

The lecture began with introduction of the topic "Towards a Sustainable Future: Integrating environmental awareness across curriculum" and the guest of honor Dr. Geetanjali Malhotra. The event was conducted through the Google Meet platform.

She discussed the necessity of incorporating environmental education into teacher training, advocating for the PCK (Pedagogical Content Knowledge) model to facilitate effective integration of environmental concepts across various subjects. The session then came to an end and student trainees' doubts were answered. It was a joyful learning experience for everyone involved.

DILLI HAAT- INA

(30th SEPTEMBER, 2024)

IVS organized a visit to Dilli Haat- INA with students on 30th September, 2024. Faculties and students reached Dilli Haat at 10.30 AM and got tickets from counter and entered to explore the various crafts from different states showcasing their culture.

It has been visualized as a showpiece of traditional Indian culture, where rural life and folk art are brought closer to an urban clientele. It is here that the crafts persons find an opportunity to demonstrate their artistic skills to thousands of visitors every day. Dilli Haat has been home to thousands of handicraft and handloom artisans.

E-WASTE MANAGEMENT WORKSHOP

(1st OCTOBER, 2024)

On 1st October 2024, the Institute of Vocational Studies (IVS) organized an E-Waste Management Workshop under the esteemed guidance of Principal Dr. Mandira Gupta, in collaboration with H.M.E- Waste Management as part of the Mission LiFE initiative. The workshop, led by Dr. Renu Sharma, Head of Program (Research & Advocacy), aimed to raise awareness about the environmental and health risks posed by e-waste and to encourage responsible disposal practices.

As part of the initiative, an e-waste collection box was strategically placed on campus, encouraging students, staff, and faculty to responsibly dispose of unused and damaged electronic devices. Students of IVS actively participated by contributing e-waste for proper disposal. Dr. Renu Sharma delivered an informative session that detailed the harmful impacts of e-waste on the environment and human health, while emphasizing the importance of recycling electronic components to reduce these hazards.

The workshop successfully heightened awareness among both students and staff, prompting participants to adopt more sustainable e-waste disposal habits and contributing to the institute's broader commitment to environmental responsibility.

REPORT ON ART AND CRAFT ACTIVITY ORGANIZED IN COLLABORATION WITH PIDILITE INDUSTRIES LIMITED FOR MENTAL WELL-BEING OF STUDENTS

(03rd OCTOBER, 2024)

To address the growing need for promoting mental well-being among pupil teachers, an engaging Art and Craft Activity was organized on 3rd October, 2024 at Institute of Vocational Studies. The event was conducted in collaboration with Pidilite Industries Limited, a renowned name in the field of creative and craft supplies. The initiative aimed to foster creativity, relieve stress, and enhance students' overall emotional and mental health. Objectives of the activity to provide a creative outlet for students to express their emotions and thoughts and to develop a sense of mindfulness and relaxation through hands-on activities. To encourage collaborative and positive interaction among peers. To educate students about the importance of mental well-being and self-care.

The activity featured a pouch making activity including painting, designing and DIY crafts. Guidance provided by Pidilite experts to ensure enriching creative experiences. The facilitators guided students step-by-step and encouraged them to explore their creativity without fear of judgment.

REPORT ON STORY TELLING THROUGH PUPPETS ACTIVITY

(04th OCTOBER, 2024)

On 4th October 2024, the Institute of Vocational Studies organized story telling through puppets activity as part of their Co-Curricular Activities, under the esteemed guidance of Principal Dr. Mandira Gupta. Students of IVS participated enthusiastically. This activity allows students to use their imagination freely. They get to create characters, scenarios, and dialogues, which boosts their creative thinking. This hands-on, interactive method encourages students to think outside the box and express themselves in original ways. It helps them to connect with each other and value everyone's perspective. This teaches them how to work cooperatively, respect different viewpoints, and value teamwork.

TEACHING LEARNING MATERIAL (TLM) EXHIBITION ORGANIZED BY DISTRICT INSTITUTE OF EDUCATION & TRAINING (DIET) MOTIBAGH

(22nd OCTOBER, 2024)

“Teaching kids to count is fine, but teaching them
what counts is best.”
Bob Talbert

On 22nd October 2024, five students from the Institute of Vocational Studies, Sheikh Sarai, attended a Teaching and Learning Material (TLM) exhibition organized by the District Institute of Education and Training. Ms. Rita Sharma, Director of SCERT Delhi, was the chief guest, while Dr. Nahar Singh, Joint Director of SCERT Delhi, was the special guest. The participating students—Ms. Anjali, Ms. Komal, Ms. Mrinali, Mr. Pradeep, and Ms. Shipra—were accompanied by their teacher coordinator, Ms. Nahid Raees.

The group arrived at the venue by 10:00 AM, where they completed initial paperwork before being seated in the auditorium. The program began with an address by Dr. Nahar Singh, who shared valuable insights and tips for enhancing students' educational experiences. SCERT Director Ms. Rita Sharma arrived around noon and officially inaugurated the event.

TEACHING LEARNING MATERIAL (TLM) EXHIBITION ORGANIZED BY DISTRICT INSTITUTE OF EDUCATION & TRAINING (DIET) MOTIBAGH

(22nd OCTOBER, 2024)

REPORT EXTENSION LECTURE ON "CONSTRUCTION OF AN ACHIEVEMENT TEST"

(23rd OCTOBER, 2024)

IVS organised an extension lecture on construction of an Achievement test online mode through Google Meet On October 23rd, 2024, under the guidance of Principal Dr. Mandira Gupta in.

Guest Speaker for the session was Dr. Mohammed Tarique who is currently working as Assistant Professor in Maulana Azad National University. Dr. Mohammed Tarique began by defining what is basically a test and its significance in today's time, discussed key points of achievement test such as Measurement, Assessment and Evaluation, he briefly discussed about these sub points one by one.

It was a very informative lecture which captivated the attention of all the participants. His knowledge and experiences have provided us with a wealth of information and inspiration.

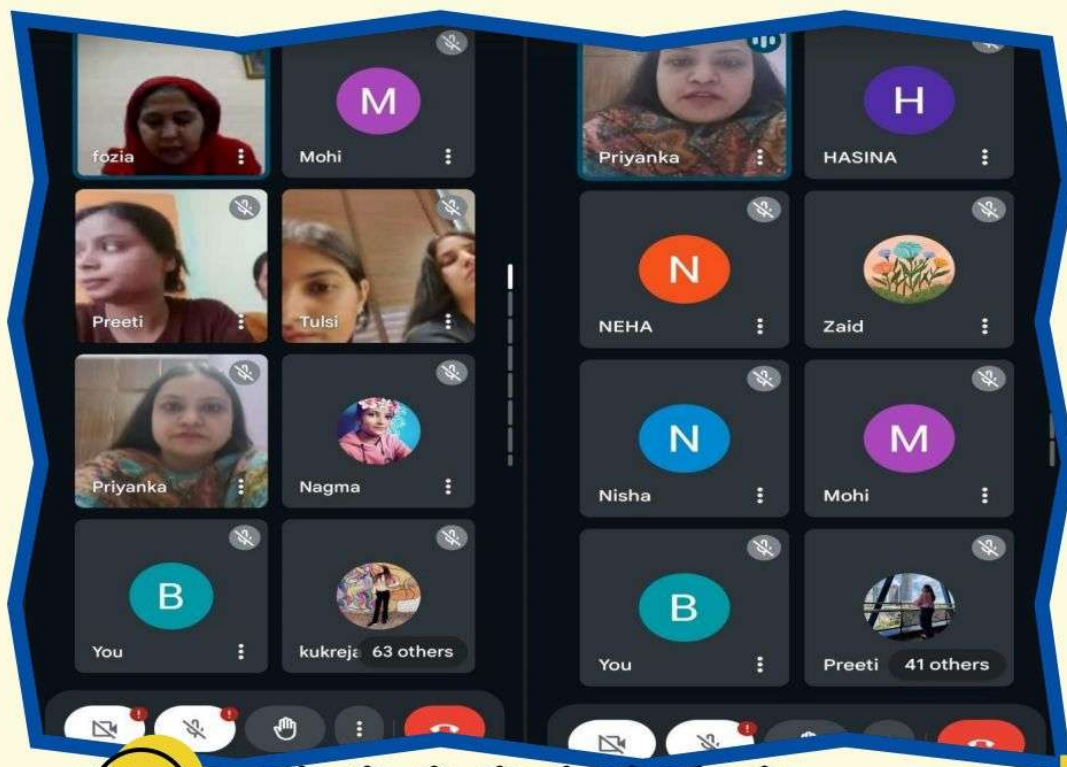

PARENT-TEACHER MEETING

(08th NOVEMBER, 2024)

The Institute of Vocational Studies conducted a Parent-Teacher Meeting (PTM) for B.Ed. first-year students on 8th November 2024 in an online mode under the esteemed guidance of Dr. Mandira Gupta, Principal of IVS. The meeting served as a platform to strengthen the collaboration between parents and faculty, focusing on students' academic progress and holistic development

Dr. Mandira Gupta, in her opening remarks, highlighted the significance of collaboration between parents and teachers in shaping students' academic and personal growth. All the students actively participated along with their parents, ensuring a collaborative and inclusive interaction. Teachers provided valuable feedback on students' academic performance, attendance, and participation in various activities. Constructive suggestions were also shared with parents to help them support their children in achieving better outcomes.

PARENT-TEACHER MEETING

(12th NOVEMBER, 2024)

The Institute of Vocational Studies College conducted an online parent-teacher meeting on 12th November 2024, aiming to foster collaboration between educators and parents for the holistic development of students. The meeting, held via a virtual platform, highlighted the importance of parental involvement in academic success. Faculty members presented a detailed overview of the semester's progress, including curricular and extracurricular activities.

Parents actively participated, raising questions and offering suggestions on enhancing the learning experience. Teachers addressed specific concerns and provided actionable feedback, ensuring clarity and support. The meeting concluded with a vote of thanks.

EXTENSION LECTURE ON AI ENHANCED PEDAGOGY

(21st NOVEMBER, 2024)

The Institute of Vocational Studies organized an enlightening online extension lecture on "AI Enhanced Pedagogy" on 21st November 2024, featuring distinguished speaker Dr. Sonam Bansal Ma'am. The virtual session, conducted via Google meet, engaged faculty members and students in an interactive discussion about integrating artificial intelligence tools into modern teaching methodologies. Dr. Bansal ma'am shared valuable insights on leveraging AI-powered resources to enhance classroom engagement, personalize learning experiences, and streamline assessment processes, while emphasizing the importance of maintaining human connection in the digital learning environment.

PARTICIPATION IN SILVER JUBILEE CUM FOUNDATION DAY OF GGSIP UNIVERSITY, DELHI

(12th - 13th DECEMBER, 2024)

The culmination of the Silver Jubilee celebrations and the Foundation Day of Guru Gobind Singh Indraprastha University (GGSIPU) in Delhi marks a significant milestone, reflecting 25 years of excellence in education, innovation, and holistic growth. The programme was a two-day's long event held on 12th & 13th December, 2024. Mr. V. K. Saxena, the honourable Lieutenant Governor of Delhi inaugurated the programme and cherished the contribution of GGSIPU and its affiliated colleges in education, research and innovation on the day one of celebration. He also unveiled new logo of the University. Ms. Atishi Singh, the honourable Chief Minister of Delhi and Chief Guest of the day visited the stalls of exhibiting colleges.

The Institute of Vocational Studies, under the leadership of Mr. Khalid Hashmi, Director of IVS, and Dr. Mandira Gupta, Principal of IVS, actively and enthusiastically participated in the celebrations. Representing the college were Dr. Parul Maheswari and Dr. Fozia Roohi, under the able guidance of Dr. Mandira Gupta. IVS highlighted the determinations and ingenuity of its students and teachers through various exhibits, including Teaching-Learning Materials developed by trainee teachers during their teaching practice, as well as beautifully crafted artisan and creative materials. The blend of origination and technology presented by IVS was personally appreciated by the Vice-Chancellor of GGSIP University as he visited the stall.

Foreign delegates from Poland showed great interest and praised the IVS exhibition. As a token of love, Dr. Mandira Gupta presented a scenic artwork to Ms. Atishi Singh, the Chief Minister of Delhi, who also visited the IVS stall and lauded the institute's contributions to the teaching profession.

PARTICIPATION IN SILVER JUBILEE CUM FOUNDATION DAY OF GGSIP UNIVERSITY, DELHI

(12th - 13th DECEMBER, 2024)

NATIONAL WEBINAR, "INNOVATIVE PEDAGOGY"

(23rd DECEMBER, 2024)

The success of teacher education programs heavily relies on the implementation of quality- driven, innovative teaching methods. With the rapid integration of technology into various aspects of life, schools and teacher education programs have witnessed the expanding role of technology in education. Embracing innovative teaching pedagogies is not a novel concept in the field of education. Educators and intellectuals have consistently emphasized the importance of experimenting with and adopting modern teaching techniques, including ICT-enabled classrooms. Considering the need, IVS organized a National Webinar on the theme, "Innovative Pedagogy" on 23rd December, 2024 under the able guidance of Dr. Mandira Gupta, Principal of IVS.

Dr. Dayal Sandhu from Assistant Professor at Jamia Millia Islamia was the Resource Person of National Webinar who highlighted various relevant aspects of innovative pedagogy.

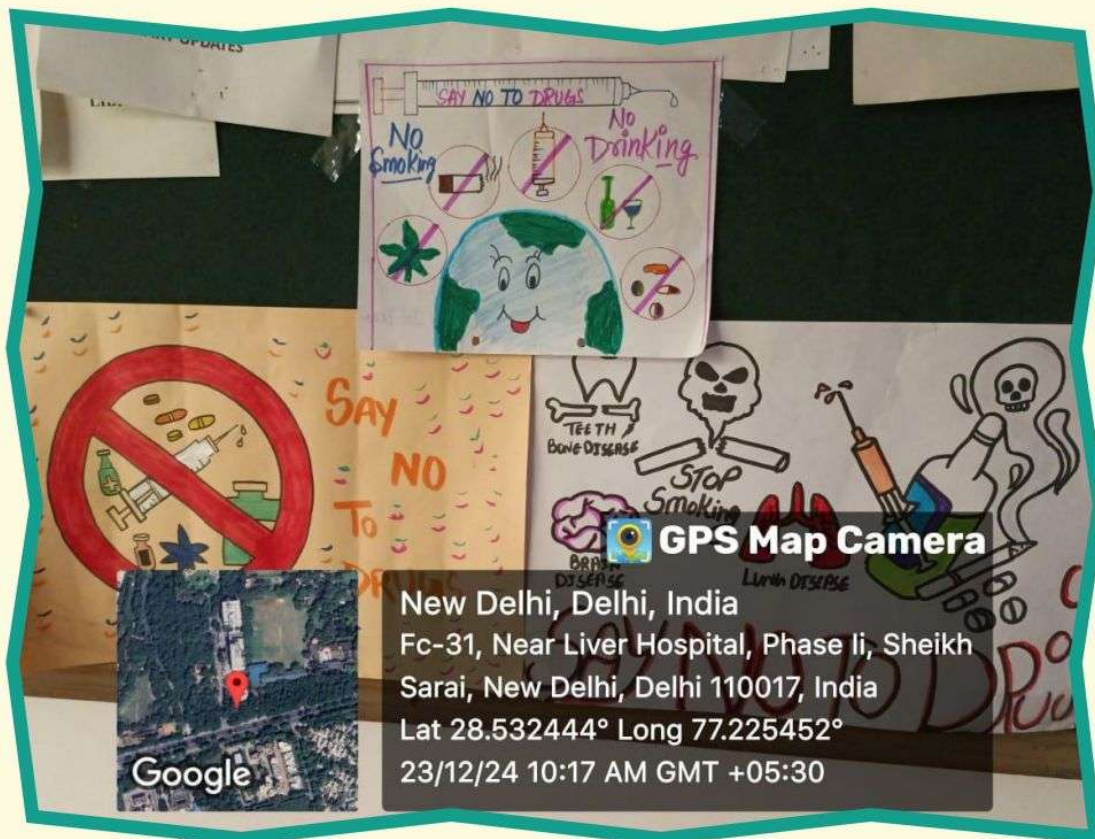

SAY NO TO DRUGS

(23rd DECEMBER, 2024)

In response to the directive received from the Department of Training and Technical Education, Delhi and forwarded by the Registrar of Guru Gobind Singh Indraprastha University, posters highlighting important information were displayed at prominent locations within the institution. As per the communication, posters were placed in high-visibility areas such as hallways, libraries, classrooms, notice boards, and corridors. This initiative was aimed at enhancing awareness among students about the respective topics mentioned in the forwarded email.

THE MAGIC OF CHRISTMAS EVE

(24th DECEMBER, 2024)

The Christmas Celebration held on 24/12/2024 was a joyful and vibrant event that brought together students and teachers for a day filled with love, cheer and festive spirit. The celebration took place at college campus beautifully decorated with twinkling lights, Christmas trees and ornaments creating a magical atmosphere. The Christmas celebration was a resounding success, bringing joy and warmth to all who participated. It was a day of unity, generosity and festive delight, reminding everyone of the importance of love, sharing and the spirit of the season.
