

Report on Webinar on “Differentiation Strategies for Inclusive Classroom: Empowering Teachers to Support CWSN”

28-04-2025

Inclusive classroom is an integral aspect of modern education system, which is essential for maintaining equity and quality education. In this line, Institute of Vocational Studies organized an Educational Webinar on the theme, “Differentiation Strategies for inclusive Classroom: Empowering Teachers to Support CWSN” on 28th April 2025 in collaboration with Shaktam Foundation, Delhi.

Ms. Isha Gupta, IE Specialist, Shaktam Foundation hold the session and focused on the importance of inclusive education and adapting teaching methods to support Children With Special Needs (CWSN). Participants learned practical strategies such as flexible grouping, tiered activities, and modifying content to meet diverse learning needs. The session emphasized creating an empathetic and accessible classroom environment for all learners.

The webinar was Insightful and encouraged future educators to implement inclusive practices for better learning outcomes. It was a valuable opportunity to enhance teaching skills and understand the role of differentiation in inclusive education.
