REPORT ON GROUP DISCUSSION ACTIVITY

19th DECEMBER, 2025

Institute of Vocational studies has organised a Group Discussion to explore the concept of Inclusive education which emphasizes in providing equal learning opportunities to all students regardless of their abilities, socio economic backgrounds or cultural differences. The discussion involved a diverse group of students. The purpose of this activity was to encourage students to articulate their views, develop critical thinking, identifying the benefits of inclusive practices and examine the challenges faced in implementing inclusive education. Discussion began with a brief introduction to the concept of inclusive, followed by active participation from students. The key point raised in discussion was benefits, challenges, solution in inclusion education. At last, it was concluded that inclusive education is not merely a policy directive but a moral and social responsibility and collective efforts should be done by educators, policymaker, parents and students that can make inclusive education a reality.
