

Report on Mock Interview

(18th March 2025)

Considering the significance of Face-to-Face conversation or Mock interviews, Institute of Vocational Studies organized a mock interview session on 18th March 2025 in collaboration with Shubh Study Academy and EmPower Urge as an integral part of teacher training programme. The purpose of this activity was to provide them with a real-life experience of an interview situation and to enhance their confidence. The panel consisted oriented the students with all major and minor aspects of resume construction, presentation before interview board. The panel also recommended the technicalities to be kept in mind when preparing for an interview for effectively qualifying all interview trials. The pane also inquired both subject-related and general questions. The participants were evaluated on communication skills, subject knowledge, body language, and confidence. This exercise helped them to identify their strengths and weaknesses and prepared them for future interviews.

The workshop was highly beneficial in preparing the trainees for real interviews. It provided insights into the expectations of interviewers and enabled participants to refine their skills for future career opportunities.
