REPORT NUKKAD NATAK August 20, 2025

On 20th August 2025, our college- Institute of Vocational Studies organized a Nukkad Natak/Skit to spread awareness about hygiene among students and the local community.

The event was staged both inside the campus and in the surrounding areas to reach a wider audience. *The main objective of this activity was to make people conscious of the importance of cleanliness, personal hygiene, and sanitation in preventing various diseases.*

Students actively prepared short plays and engaging skits with impactful dialogues and slogans to convey their message in a simple yet powerful manner. Through dramatization, they highlighted everyday hygiene practices such as proper waste disposal, clean drinking water usage, and maintaining clean surroundings.

This activity not only boosted student's confidence and communication skills but also inspired them to take the responsibility of spreading awareness in their families and neighborhoods.

The Nukkad Natak successfully combined education with entertainment, making hygiene awareness more relatable and impactful for all.
