(Affiliated to GGSIPU & SCERT, Delhi)

Report on Online Pledge Activity under “Humara Samvidhan Humara Swabhiman”
26th January, 2026

As part of the nationwide celebration of Constitution Day @75 (Azadi Ka Amrit Mahotsav) and in observance of 76th Republic Day, an Online Constitution Pledge Program was organized by Institute of Vocational Studies on 26 January 2026 for faculty members and students of the institution.

The program aimed to create awareness about Indian Constitution; to promote constitutional values, democratic ideals, unity, integrity, and fundamental duties among the academic community; to commemorate 75 years of Indian Constitution and to foster the sense of national pride and responsibility.

Faculty members and students actively participated in the program organised through Google Meet where the participants were briefed about visiting the official Government of India portal www.constitution75.com and generate a video of taking a pledge (before hand) and then filling their details and upload the video to get their official certificate. The Participants took the online Constitution Pledge and hence affirmed their commitment to uphold the sovereignty, unity, integrity, and democratic ethos of India.

Successful generation of the online certificates served as an official recognition of participation in the Constitution @75 initiative.

The Principal, Dr Mandira Gupta emphasised the participants to enact the duties and rights given by constitution in their daily lives.

The Online Constitution Pledge Program conducted on 26 January 2026 was a meaningful and impactful initiative. It effectively reinforced the importance of the Indian Constitution and instilled a sense of pride and responsibility among faculty and students. The program contributed positively towards nurturing informed, responsible, and constitutionally aware citizens. The institution remains committed to organizing such value-based activities that promote constitutional literacy and national consciousness.
