

Report on Swachhata Pledge by Institute of Vocational Studies Employees

1st – 31st Aug, 2025

As a part of Swachhta Drive Campaign (1st – 31st Aug, 2025) all the employees of IVS College, Sheikh Sarai, New Delhi have actively participated in the “Swachhata Pledge” as part of the nationwide cleanliness awareness initiative. The pledge aimed to promote cleanliness, hygiene, and responsible waste management among staff members, aligning with the vision of a Clean India.

The pledge was undertaken by all teaching, non-teaching, and support staff individually from their respective mobile or laptop devices, by visiting the website swachhata.delhi.gov.in. Upon successful completion of the pledge, each employee uploaded their selfie and verified their number through OTP. After fulfilling all these conditions, they received a digital certificate of acknowledgement, generated through the same official portal. This certificate served as official recognition of their participation and commitment to the Swachhata mission.

All the employees solemnly affirmed their commitment to maintain cleanliness in their surroundings, discourage littering, and encourage others to adopt hygienic practices in both personal and professional spaces. This initiative not only reinforced the importance of cleanliness among employees but also strengthened the institution’s contribution to the Swachh Bharat Abhiyan.

IVS College remains dedicated to sustaining cleanliness efforts and spreading awareness within the community.
