### Report on Workshop on Teaching-Learning Material (TLM) Construction

(27<sup>th</sup> August, 2025)

Recognizing the significance of Teaching-Learning Material in the day-to-day teaching-learning process, the *Institute of Vocational Studies* organized a workshop on **27th August 2025** titled “**Teaching-Learning Material (TLM) Construction**”. The workshop was conducted in collaboration with **Shaktam Foundation**, a renowned Delhi-based NGO, through the online platform of Google Meet under the guidance of **Dr. Mandira Gupta**. The primary objective of the workshop was to orient prospective teachers towards the effective use of a variety of TLM, methods of creating them with low or no cost, and the necessary precautions to be adopted while using them. The session was facilitated by **Ms. Isha Gupta**, Inclusive Education Expert and Founder President of Shaktam Foundation, who enriched the participants with her knowledge and practical insights.

Ms. Gupta explained the concepts with great clarity and presented innovative as well as feasible ideas for classroom practices. The participants found the session extremely valuable as the demonstrated techniques were not only applicable but also highly practical in real classroom settings. The workshop proved to be a significant learning experience, equipping prospective teachers with essential skills for enhancing the teaching-learning process. Here are the few glimpses of the event:
