Teaching Learning Material (TLM) Exhibition
Organized by District Institute of Education & Training
(DIET) MOTIBAGH
on 22nd October 2024**

**"Teaching kids to count is fine, but teaching them what counts is best."
—Bob Talbert.**

On 22nd October 2024, five students from the Institute of Vocational Studies, Sheikh Sarai, attended a Teaching and Learning Material (TLM) exhibition organized by the District Institute of Education and Training. Ms. Rita Sharma, Director of SCERT Delhi, was the chief guest, while Dr. Nahar Singh, Joint Director of SCERT Delhi, was the special guest. The participating students—Ms. Anjali, Ms. Komal, Ms. Mrinali, Mr. Pradeep, and Ms. Shipra—were accompanied by their teacher coordinator, Ms. Nahid Raees.

The group arrived at the venue by 10:00 AM, where they completed initial paperwork before being seated in the auditorium. The program began with an address by Dr. Nahar Singh, who shared valuable insights and tips for enhancing students' educational experiences. SCERT Director Ms. Rita Sharma arrived around noon and officially inaugurated the event.

Following the opening addresses, students were divided into groups to explore various subject-specific TLMs. Each display was thoughtfully arranged, with enthusiastic volunteers explaining the materials to enhance the learning experience. QR codes were available in front of every room, allowing attendees to access TLMs in Google Drive format, facilitating easy sharing and further exploration.

The exhibition concluded around 2:00 PM, with attendees receiving refreshment boxes as they exited. Overall, the exhibition provided a valuable opportunity for students to engage with innovative teaching materials and gain insights to support their future educational endeavors. The event left a lasting impact, inspiring them to think critically about the role of effective teaching aids in shaping a meaningful learning journey.
