

NSS Vigilance Awareness Activity Report

The National Service Scheme (NSS) unit of our institution organized a *Vigilance Awareness Activity* from 29th October 2024 to 5th November 2024 to mark **Vigilance Awareness Week**. The program aimed to instil a sense of honesty, integrity, and accountability among students and staff. In alignment with the Central Vigilance Commission's theme, the event emphasized the importance of being vigilant and ethical citizens who actively contribute to building a corruption-free society.

The purpose of organizing the activity was to spread awareness about the need for transparency and integrity in public life, to educate students on the role of citizens in combating corruption, to encourage ethical practices in daily life and professional conduct and to foster a sense of social responsibility and civic awareness among youth.

The Activities Conducted were:

- **Pledge Ceremony:**

All faculty members, staff, and students took the *Integrity Pledge* to uphold ethical values and fight against corruption in all forms.

- **Essay Writing and Poster Competitions:**

Competitions were conducted to allow students to creatively express their views on the importance of integrity and the role of youth in promoting good governance.

- **Discussion and Quiz Session:**

A short quiz on vigilance awareness was organized to engage students and test their understanding of the topic.

The activities enhanced awareness among students about corruption and its harmful effects on society, it strengthened commitment among participants to practice honesty and ethical behaviour and encouraged a culture of transparency and accountability within the institution.

The *NSS Vigilance Awareness Activity* successfully fulfilled its objective of promoting ethical values and integrity. The event inspired students to be more alert, responsible, and proactive in maintaining honesty in both personal and public life. Through such initiatives, the NSS continues to nurture socially conscious individuals dedicated to nation-building and good governance.
