Pidilite Workshop (Tie & Dye)- Day 3

31st July, 2026

Organized by Institute of Vocational Studies (GGSIPU), New Delhi

The Institute of Vocational Studies (IVS), affiliated with Guru Gobind Singh Indraprastha University (GGSIPU) and the State Council of Educational Research and Training (SCERT), New Delhi, organized Day 3 of the Pidilite Workshop on Tie & Dye on 31st July, 2026. The workshop was conducted with great enthusiasm and active participation from the students. The primary purpose of the workshop was to provide students with practical exposure to the traditional and creative art of Tie & Dye.

The programme was conducted under the guidance and encouragement of Dr. Mandira Gupta, Principal, IVS, who motivated the students to participate actively and make optimum use of the learning opportunity. The session commenced with a welcome address, followed by practical training and demonstration by the representative from Pidilite.

During the workshop, students enthusiastically participated in various hands-on activities, including handkerchief Tie & Dye and Tie & Dye on different types of cloth. The students were introduced to different techniques and methods of creating attractive patterns using the Tie & Dye process. The practical nature of the workshop provided them with an opportunity to explore their creativity and develop artistic skills.

Objectives of the Workshop-

- To introduce students to the art and techniques of Tie & Dye.
- To provide practical, hands-on learning experience.
- To encourage creativity, imagination, and artistic expression among students.
- To familiarize students with different methods of creating Tie & Dye patterns on fabric.
- To promote experiential learning through art and craft activities.

Highlights of the Event-

The workshop received an enthusiastic response from the students and faculty members. Different fabric items were used to demonstrate and practise Tie & Dye techniques, enabling students to understand the process through direct participation. The activity encouraged creativity and provided students with an enjoyable and meaningful learning experience.

The successful organization of the workshop was made possible through the dedicated efforts of the Event Coordinators and faculty members, who contributed significantly to its planning, coordination, and execution.

Conclusion- The Tie & Dye Workshop organized at the Institute of Vocational Studies was an enriching and meaningful learning experience. It successfully highlighted the importance of art, creativity, and skill-based learning among students. The workshop provided participants with an opportunity to understand and practice Tie & Dye techniques while developing their creative abilities. The programme concluded with a vote of thanks to the participants, faculty members, Pidilite representative, and organizers for their valuable support and contribution towards making the workshop successful.

Glimpses of the Day-
