Report

Webinar on “Empowering Future Educators: Mastering Language Skills for Effective Teaching”

11 September, 2025

An online webinar was held on September 11, hosted by the Awadh Institute. The session featured Dr. Joni Hooda, an Assistant Professor in the Department of Education at Sant Hair Pass College of Higher Education.

Dr. Hooda, who has over nine years of experience in teaching, educational leadership, and research, shared valuable insights on curriculum development, teacher education, equity in education, and technology integration. She has also authored several research papers and books focused on professional development and responsive pedagogy.

The session was both insightful and inspiring, equipping participants with practical knowledge to enhance their academic and teaching practices. Dr. Hooda also discussed language skills and techniques for improving these abilities.

The event concluded with a warm vote of thanks to Dr. Hooda and expressions of gratitude to Principal Mandira Gupta for providing the opportunity to host such an enriching session.
