Report on Alumni Meet 2026

The Institute of Vocational Studies, affiliated with Guru Gobind Singh Indraprastha University (GGSIPU), New Delhi, successfully organized its Alumni Meet 2026 on 29 January 2026 under the theme **"**Reconnect | Relive | Reunite.**"** The event was designed to strengthen and celebrate the enduring bond between alumni, faculty members, and students while fostering a spirit of belonging and professional networking.

The programme commenced at 10:00 AM with a warm welcome extended to all alumni and guests. The event began with an introductory session followed by engaging activities that created a cheerful and interactive atmosphere. Students enthusiastically organized a variety of events, including games, cultural performances, and other fun-filled activities, which added vibrancy and excitement to the occasion.

A key highlight of the meet was the alumni interaction session, where former students shared their professional journeys, achievements, and experiences with the faculty and current students. These interactions served as a valuable platform for students to gain insights into career opportunities, challenges, and future pathways. Alumni also had the opportunity to reconnect with their peers, revisit old memories, and strengthen their association with the institution.

The event also encouraged informal networking through group discussions, conversations, and photo sessions, allowing alumni from different batches to connect meaningfully. Such interactions not only strengthened interpersonal bonds but also promoted harmony, collaboration, and exchange of ideas among alumni and students. Current students benefited from these discussions by understanding diverse career perspectives and sharing their own aspirations and goals.

The Alumni Meet 2026 concluded on a highly positive note, reflecting the strong institutional values and lasting relationships nurtured by the Institute. The event was a grand success and reaffirmed the Institute's commitment to maintaining lifelong engagement with its alumni community while creating opportunities for mentorship, collaboration, and mutual growth.
