ANNUAL PLACEMENT REPORT 2025-26

Institute of Vocational Studies (GGSIPU), New Delhi

The Placement Cell of the Institute of Vocational Studies (IVS), constituted under the aegis of the Internal Quality Assurance Cell (IQAC), actively facilitates student readiness for employment and higher education. The Cell encourages students to participate in placement-oriented workshops conducted by IVS and by partner institutions/colleges, and counsels students who wish to pursue Higher studies.

Placements during the academic year 2025–26 spanned academic institutions as well as non-academic organizations. To ensure timely dissemination of opportunities and guidance, a WhatsApp group titled "Placement Cell Work"—created on 22 March 2021 and comprising placement faculty members, students, and placement counsellors (now IVS CareerPath), continues to post verified vacancies in reputed schools and related sectors. Faculty mentors provide ongoing support on application processes and interview preparation. Information related to CTET (Central Teacher Eligibility Test) is also shared regularly through this channel.

In 2025–26, the total number of graduating students was 97. A majority have been placed as TGT and PGT across various pedagogy subjects, while several others have joined roles in allied organizations. A number of graduates are also pursuing higher studies at recognized Universities. The average salary for placed students ranged from ₹20,000 to ₹25,000 per month.

Some of the placed students and institutional details are listed below:
