With the objective of promoting unity, cultural understanding, and national integration among youth, the Institute of Vocational Studies (IVS) participated in the National Integration Camp (NIC) held from 22 February 2026 to 28 February 2026 at Dev Sanskriti Vishwavidyalaya, Shantikunj, Haridwar. The institute was represented by Ms. Nahid Raees, NSS In-charge, along with Mr. Shivang, a B.Ed. student volunteer.

The camp brought together NSS volunteers from various states of India, providing a valuable platform for interaction, cultural exchange, and mutual learning. Participants were engaged in a wide range of activities designed to foster national unity and personal development. These included yoga sessions, cultural programmes, group discussions, academic lectures, competitions, and community-oriented activities. Each activity aimed at strengthening values of cooperation, leadership, discipline, and respect for cultural diversity.

During the NSS National Integration Camp 2026, a well-structured timetable was followed to ensure the effective conduct of daily activities. The day usually began with morning yoga and physical exercises, followed by academic sessions, workshops, and interactive discussions. In the evenings, participants showcased their regional traditions through cultural performances, promoting appreciation of India's rich cultural heritage.

The camp provided an enriching learning experience for the participants and contributed significantly to enhancing their sense of national identity, teamwork, and social responsibility.
