

Report on National Integration Camp (NIC)

Under NSS Cell, IVS

With the objective of fostering national unity, cultural understanding, and cooperation among youth, the Institute of Vocational Studies (IVS) participated in the National Integration Camp (NIC) held from **6 March 2026 to 12 March 2026** at **Chaudhary Devi Lal University (CDLU), Sirsa, Haryana**. The college was represented by Ms. Nahid Raees, NSS In-charge, along with Ms. Haseena, NSS Volunteer. The camp witnessed the participation of approximately 200 volunteers, including 14–15 Programme Officers from various institutions across the country.

Upon arrival, volunteers completed the registration process and room allotment, followed by orientation sessions introducing the guidelines and objectives of the camp. Participants actively engaged in cultural interaction sessions, group discussions, and collaborative activities, which provided opportunities for students from different regions to interact and learn about each other's cultures and traditions.

During the camp, some challenges related to accommodation facilities, washroom availability, and maintenance were observed and discussed informally among volunteers and Programme Officers. Suggestions for improved infrastructure planning were also shared.

The camp concluded with closing and farewell sessions, where volunteers reflected on their experiences and emphasized the importance of such programmes in promoting national integration, teamwork, and mutual understanding among youth. Few glimpses of the event:
