A rally on Swachh Bharat Abhiyan was organized by our college Institute of Vocational Studies on 21 August according to the instruction of government. The main objective of the rally was to spread awareness among people about the importance of cleanliness and hygiene.

The rally started from the college premises and passed through the entire college campus. Students carried placards and banners with slogans like “Clean India, Green India” and “Keep Your City Clean.” They also raised slogans to motivate people to keep their surroundings neat and litter-free.

Teachers and students actively participated in the event. Some students performed short skits to highlight the harmful effects of unhygienic conditions.

The rally created a great impact on the local people. All the students promised to maintain cleanliness in their surroundings. The enthusiasm and awareness generated through the rally made it a successful step towards the vision of a clean and healthy India.

The rally proved to be a motivating experience for both students and the community. It reminded everyone that cleanliness is not only the duty of the government but also the responsibility of every citizen.
