

Report on Online Extension Lecture

Creating Learner- Centred Classrooms

(20th July 2026)

Realizing the significance of professional enrichment programmes, Institute of Vocational Studies organized an **Online Extension Lectures** on the theme **Creating Learner- Centred Classrooms 20th July 2026**. Dr. Geetanjali Malhotra, Assistant Manager Program Design (Muskan Dream Creative Foundation) hold the session as speaker of the event. The speaker differentiated between a learner- centred and traditional classroom and suggested the strategies and technicalities of creating learner- centred classrooms. She conducted highly interactive session where students were provided to express their ideas as well and learn to transform a normal classroom a constructive and self- paced learning classroom. During the session various small tasks were distributed to the students. Such activities made them understand the nitty- gritty of learner- centered classroom. The programme was not only enjoyed but appreciated by students and teachers for its clarity and usefulness. The glimpses of the lecture are as following:
